Investment Strategy

The scheme aims to provide long term capital growth by investing in a well-diversified portfolio of equity and equity related securities across market capitalisation and sectors. The fund would aim to participate in the all-round growth of the economy. For this fund manager will identify suitable stocks that will benefit from economic growth.

The fund may follow a bottom up approach towards investing / identifying individual stocks and a top down approach towards investing / identifying sectors so that the resultant portfolio is well diversified.

The Scheme would invest in companies based on various quantitative and qualitative criteria like sound financials, professional management, track record, industry scenario, industry and company growth prospects etc., The Fund may also invest in overseas equities and ADR's / GDR's depending on the Investment Manager's view / analysis.

To reduce the risk of the portfolio, the Scheme may also use various derivative and hedging products from time to time for hedging and rebalancing purposes, in the manner permitted by SEBI. The Scheme retains the flexibility to hold from time to time relatively more concentrated investments in a few sectors or a concentrated portfolio of stocks. The fund also invests in Fixed Income/Money Market/Cash and Cash equivalents upto 35%

Summary of Indicative Scheme- Specific Risks

Infrastructure projects by their very nature have a long gestation period. Therefore, the Fund will rely heavily on future investments in the Infrastructure sector that will take a long time to materialize.

The Mutual Fund's NAV will depend upon the performance of the companies within the Infrastructure sector.

Normally, in a diversified equity fund, investments are made in companies from different sectors. So, if one sector is not doing well, the investments in the other sector will balance it. The Fund however, will predominantly invest in companies in the Infrastructure sector. The investments will be limited to quality Infrastructure companies.

Sundaram Multi Cap Fund

	<p>The performance of the Fund will also depend upon the efficiency of the Government to execute projects within a given time frame. The opening up of the infrastructure sector to private/foreign ownership / investment depends upon the policy and guidelines issued from time to time by the Government of India. The growth of Infrastructure sector is greatly dependent on the Government's fiscal policies and legislation. The fiscal policy of the Government may also be subject to the WTO Agreement. The performance of the Infrastructure sector may also be affected by the competitiveness of the industry and firm level inefficiencies.</p> <p>The risks associated with the thematic portfolio will be lower than that of a sector-specific fund and higher than that of a typical diversified fund.</p>

Taxability of segregated portfolios of a mutual fund scheme

The Finance Act, 2020 has rationalized capital gains taxability in relation to mutual fund portfolio segregation as per SEBI regulations as follows: -

- ▷ The period of holding for units in the segregated portfolio to be reckoned from the period for which the original units in the main portfolio were held by the taxpayer.
- ▷ Acquisition cost of units in segregated portfolio to be proportionate to the NAV of assets transferred to the segregated portfolio to the NAV of the total portfolio immediately before the segregation. The cost of acquisition of the original units in the main portfolio to be reduced by the acquisition cost of units in the segregated portfolio.

KYC means the due diligence procedure prescribed by the Regulator for identifying and verifying the proof of address, proof of identity and compliance with rules regulations, guidelines and circulars issued by the Regulators or Statutory Authorities under the Prevention of Money Laundering Act, 2002.

A 14 digit CKYC identification Number (KIN) would be issued as identifier of each client.

As per PMLA (Maintenance of Records) Amendment rules, 2015, Rule 9(IA), every reporting entity shall within three days after the commencement of an account based relationship with an individual, file the electronic copy of the client's KYC records with the Central KYC Registry. Institutions need to upload the

common KYC template along with the scanned copy of the certified supporting documents (Pol/PoA), cropped signature and photograph. SEBI vide its circular dated November 10, 2016 has advised all mutual funds to upload the KYC records of all existing customers into the CKYC database.

Since the records are stored digitally, it helps intuitions de-duplicate data so that they don't need to do KYC of customers multiple times. It helps institutions find out if the client is KYC compliant based on Aadhaar, PAN and other identity proofs. If the KYC details are updated on this platform by one entity, all other institutions get a real time update. Thus, the platform helps firms cut down costs substantially by avoiding multiplicity of registration and data upkeep.

Please note that PAN is mandatory for investing in MF's (Except Micro KYC and other exempted scenarios). If CKYC is done without submission of PAN/Aadhaar, then he/she will have to submit a duly self-certified copy of the PAN card alongwith KIN.
